

# THE RICHMOND DISPATCH.

WHOLE NUMBER, 11,376.

RICHMOND, VA., SUNDAY, DECEMBER 18, 1887.

THREE CENTS PER COPY.

\$5 to \$8.

Between these prices we are selling warm, strong, and serviceable Overcoats in dark colored Chinillas and dark gray Beavers. They are by all odds the best values ever offered in these parts for the prices named.

\$9 to \$12.

The variety of Overcoats we offer between these prices is great indeed, and includes such excellent and reliable fabrics as Black, Blue, and Brown Beavers; Plain and Mixed Gray Heavy-Weight Cassimeres; Black Diagonal Cassimeres and Black and Blue Chinillas.

\$15.00 to \$20.00.

This is our strong point. Here we'd be willing to take our stand, because we know that no stand in this country can touch the superb assortment of perfect body-fitting Overcoats that we offer you to select from between these prices.

\$22.00 to \$30.00.

Silk-Lined English Cheviots, Kerseys and Meltons, Chinchillas, and Fur Beavers of our own importation, made up equal to finest custom work, stylishly cut and perfect fitting. Cannot be found outside our house unless made to special order, when they will cost one third more.

Between these prices we offer Overcoats made from the choicest and finest fabrics produced, comprising Austrian, French, and German Fur Beavers, soft and silky as an otter's fur; English Box Cloths and Chinillas in various colors—all cut, trimmed, and made superior to anything to be found in America.

\$30 to \$50.

Overcoats between these prices are, of course, luxurious. You should see them—made from French Pilot and English Box Cloths, fur lined, fur cuffs and collars; fastens with "frogs." They are rich and rare—so rare that there are but three houses in America that handle such costly coats.

\$75 to \$100.

We are the only house in Richmond that import direct English Cape Overcoats. We show them in great variety of pattern, from the quiet heather mixture to the largest plaid. Our prices range from \$20 to \$30.

\$20.00 to \$30.00.

From \$10 to \$30 we offer a large stock of Storm Ulsters, with storm collars, straps, and belts.

\$10.00 to \$30.00.

## ARE YOU MAKING UP A SHOPPING LIST?

IF SO, WE HAVE PREPARED FOR YOUR PERUSAL A MEAGRE LIST OF USEFUL, ORNAMENTAL, LITTLE-COST, AND HIGH-COST GIFTS, ALL OF WHICH BUT REPRESENT MANY KINDS OF THE SAME THINGS WE HAVE TO SHOW YOU, BUT WHICH WOULD TAKE UP TOO MUCH NEWSPAPER ROOM TO ENUMERATE. KNOWING OUR PRICES TO BE BELOW COMPETITION, WE INVITE YOU TO MAKE COMPARISONS, THOUGH IT WILL BE IMPOSSIBLE FOR US TO GUARANTEE THAT ALL OF THESE ARTICLES WILL REMAIN UNSOLD UNTIL THE END OF THE WEEK. OUR STORES ARE DECORATED TO THEIR FULLEST CAPACITY. THERE IS A WELCOME FOR ALL. WE ARE GLAD TO HAVE YOU LOOK AROUND WHETHER YOU CARE TO BUY OR NOT.

At all the gatherings of Dots that this Xmas season has brought together, there is not one or two people that show such excellent values for the money as we are giving. Our advertisements of the different sizes last week brought us hundreds of customers, who were surprised at the surpassing beauty of the Dots, which they acknowledged were far superior to what they expected and what they had seen in other places. We have sent telegraph orders, and this week we are showing more Dots than ever. The constant, busy appearance of the Dots counter attests the fact that we must be doing something extraordinary to merit such a patronage.

The 25-inch tall Wax Dolls for 15c—some ladies desire they have seen uglier dolls at 50c; the 18-inch high Wax Dolls at 7c, are sold by the dozens to sell in other stores at 15c; the 16-inch high Blaque Dolls at 25c, with intricate details, are equal to the 30c ones displayed in other store windows; we want you to see the Sleeping Blaque Dolls at 60c;

The Dressed Blaque Dolls at 50c, 15 inches high; the very large 16-inch tall Sleeping Blaque Doll at \$1.25, is 4 to 5 inches higher and far more beautiful than many \$1.50 Dolls we have seen;

An 18-inch high Indestructible Blaque Doll for \$1.25;

Just as big bargains in their Blaque and Rubber Dolls.

One of the most striking displays on entering the store are the Jewelry Cases, and it's one of the busiest places, too, for with plenty of counter-room and an overabundant supply of everything from a 5c Plated Stone Collar-Button to a \$10 Solid Gold Chain—with prices that are about one-half for what such goods generally sell—there are no reasons why it should not attract widespread attention.

Newer pretties in Collars, Ribbons, Neckwear than any former season, and it's so good looking that whatever is new can be found at Meyer's.

How you see our Xmas Cards. If not, you better see them. They are going fast, for they are twice as cheap as at any other store in this city.

Clearing off a few tables here and a dozen feet or yards of store counter there, and getting a lot of Holiday Goods together, that form all that's left of an importer's stock is not our idea of proper service for our trusting and expecting customers. An entire floor has been turned into a Xmas bazaar. Shelves that weeks ago held some of our best goods are now heaped high with these fancy goods. Customers have been especially built, and a crowd visitor would think from the substantial appearance and perfect working system of this holiday floor that it was a permanent fixture with us. But such is not the case. We have but six days more to sell out of these goods completely. We have done it in former years, and we intend to do it this. Hence extra low prices prevail for this week.

There is a counter of little knick-knacks made of brass and bronze and wood at prices that you don't see in one out of twenty stores. There are:

You'd be surprised to see what a pretty little Autograph-Album 15c. will buy, and what a large size and elegant one 50c. will buy.

There is an aggregation of Mirrors on this floor that should certainly make everybody vain. Think of a 11-inch high Paper-Mache-Framed Mirror for 10c, or a Bevel-Edge Easel and Hand-Mirror for 25c, or an 8-inch high Bevel-Edge Plush-Framed Standing and Hand-Mirror for 50c, or a 13-inch high or 11-inch square Embossed Plush-Framed, Bevel-Edge Mirror for \$1; Hanging and Folding Triplicate Mirrors, \$1 to \$10.

Special Holiday Sale of  
Gloria and Twisted Silk  
UMBRELLAS.

You will notice that with the many hundreds of things gotten up specially for Xmas we have not enumerated our regular departments with them, but have larger assortments of our usual goods in all the departments than ever before. As there are thousands who intend giving presents of a more substantial nature we have made special cuts here, and there are lots of goods we want to close out before the first of the year.

Besides an immense assortment of Lace Curtains ranging in price from 30c a pair to \$25, we have taken our entire stock (seven different patterns) of \$5 a pair Lace Curtains and will sell them this week at \$3.50.

If you come to the store take a peep at that display of Portieres and compare the prices marked on them with those of last week—you'll notice a big difference, for we've been marking them down very lively;

It would be useless for us to harp on the extraordinary reductions we have made throughout the Carpets. This season it has reached its highest point of excellence and lowest point in prices. These articles will appear on many a shopper's list, because they are useful and ornamental gifts, and can be bought at moderate prices. We would like you to see our assortment.
